Dear Parents and Teacher's:

Our main objective at LIFE 180° Martial Arts is to develop well rounded students, not only in our school, but in society as well. That is why our school teaches the principles of Black Belt Excellence. Not only do students become black belts in martial arts, but they strive to become academic black belts. We use the words "black belt" as a metaphor for personal excellence.

In order to monitor our students' progress toward these goals, we respectfully request that you complete the following:

- 1) This student is respectful, doing satisfactory work and receiving passing grades.
